WORK EXPERIENCE

- TMX Equicom**
 Development and consultation services for multiple Investor Relations projects with a focus on responsive design & interactive content.
- Humber River Hospital**
 Provided consultation, design and development services to facilitate a new mobile / responsive strategy for updating their live website.
- Blue Lemon Media**
 Managed and consulted on the development of a turn-key 'm-dot' mobile strategy for their custom CMS. The final product seamless integrates with clients' live websites for one step mobile website creation.

KEY STRATEGIES

RELEVANT SKILLS

- Axure** - Loves me some responsive prototypes!
- Photoshop** - Those cat memes aren't going to make themselves
- HTML5 / CSS3** - Isn't HTML and CSS is so 2005?
- jQuery / PHP / ASP.net** - Yes, I still manage to have a social life.

EDUCATION

- University of Toronto**
Honours Bachelor of Arts
 Majored in New Media Studies
 Minor in Economics for Management
- Centennial College**
 Certificate in New Media

ANATOMY
